

UKRAINIAN CRIMEA TENT CAMP - SUMMER 2007

This summer's two-week mission trip to Ukraine will take place at a Ukrainian Military Christian Fellowship-sponsored tent camp for military members and their families.

The purpose of this camp is to be a witness for Jesus while military families (believers and nonbelievers alike) vacation along the northern shore of the Black sea. We will have an opportunity to share our testimonies and provide special music as part of evening campfires, participate in Bible studies, take hikes and excursions, and develop special friendships as we enjoy meals prepared over an open fire, sleep in tents, and share life experiences side by side with Russian and Ukrainian families.

This trip (which also includes a short visit to the English language camp in Kiev) will take place from 23 July to 6 August.
